

An aerial photograph of a modern urban plaza. On the left is a glass-walled building with a teal vertical stripe. The plaza is paved with light-colored stone tiles and features a large tree, a planter box with greenery, and several people walking. The scene is brightly lit, suggesting a sunny day.

Membership Overview

Austin 2024

Brick & Wonder is a membership community that connects and supports leaders across real estate, design, and the built environment.

Our platform helps you connect with a diverse group of experts, improve your practice, and ultimately grow your business.

Founded on the idea that we go farther together than alone, Brick & Wonder paves the way for new perspectives and ideas.

Through member events, programming, and meaningful relationships, you will find the advocacy and support you need to level up, lead, and grow.

New Relationships, New Possibilities

Building the right connections can take years. Invest your time and energy where it matters most. Brick & Wonder puts you in the right place with the right people. We open doors for new opportunities and possibilities.

Our community's interdisciplinary structure gives you fresh perspectives across all areas of real estate and design. As different as we are, what we have in common is a passion for what we do and a strong desire to help one another improve and grow.

For Design & Real Estate Professionals

Our community is made up of accomplished individuals from all disciplines within the built environment. From development and design to fabrication and marketing, our members work across scales, typologies, mediums, and borders — united in their passion for what they do and their desire to enrich their practice.

CONSULTANTS & CONTRACTORS

Established specialists who deliver solutions and expertise for the built environment.

BUSINESS OWNERS & LEADERS

Our Members

We believe that the power of our community is in our members. An essential tenet of a Brick & Wonder membership is the ability to contribute as well as benefit.

We look for the following qualities:

- 10+ years of professional experience focused on the built environment
- A passion for the built environment and quality design
- Lifelong learners with a deep curiosity
- Recognize that success comes not alone but with everyone
- A drive to raise the standards of the real estate and design industry
- People who care about their organization, their project, and their community and will push themselves even harder to make a difference

“Brick & Wonder cuts through years of work that it would take to connect to the right person.”

Susan Clark, Radnor
